1.00 GENERAL

1.04C USTA League Registration

1.04C(1) Initial rosters must be entered in TennisLink before League play begins.

1.04C(2) 1.04C (2) Score Reporting in TennisLink. The initial entry of match scores in TennisLink must take place within 48 hours of the completion of the match. After match scores have been entered in TennisLink, they must be confirmed by the opposing team within 48 hours of the initial entry or the initial score will automatically be considered valid. Failure to comply may subject teams to a grievance and/or double default. (Southern Reg. 1.04C(2))

In South Carolina, Local Leagues may make a rule regarding team matches that are not entered in TennisLink within 48 hours of the completed match If a Local League does not specify a procedure for teams not reporting scores in TennisLink within 48 hours, then the Southern regulation stated above will take precedent.

1.04D(1) Geographic Areas: Local league regulations must specify geographic areas for league play.

1.04D(2) All Local Mixed Leagues (18 & Over, 40 & Over, 55 & Over, and 65 & Over) must end team registration on or before **June 10, 2018**. Teams may continue to add players per local league regulations.

1.04D(3) Local Mixed Leagues will set deadlines for registering players and for adding players to rosters. Team rosters with a minimum number of legal players (3 men and 3 women) must be submitted into TennisLink by the deadline date published by the Mixed Local League Coordinator. Team rosters that do not meet this deadline date will be deleted and those players who have registered on this deleted team can be moved to another team before league play begins. Teams cannot be added after the initial deadline date without approval from the USTA SC State Mixed Doubles League Coordinator.

1.04D(3)(a) Players may not be added to the team roster during local league flight playoffs or at any championship. The USTA SC State Mixed Doubles League Coordinator will inform Local Mixed Leagues of add-on deadlines for State Championships.

1.04D(4) Local Mixed Doubles Leagues may limit the number of players that appear on a team roster.

1.04D(7) The USTA SC State Mixed League Coordinator, in consultation with the USTA SC Director of Leagues, will determine the number of teams at the Mixed 18 & Over 2.5, 10.0, 55 & Over 9.0, & 65 & Over 6.0 & 8.0 levels that qualify for the Mixed State Championships when the rosters for these levels have been submitted. Legal team rosters for these levels must be submitted by the initial mixed league deadline date for the area in which the team is registering.

1.04D(8) The deadline for adding players to a roster for teams advancing directly to state is August 17, 2018.

1.04D(9) Number of Teams. When a Local League does not have the required number of Teams, (two teams) for Mixed 18 & Over, Mixed 40 & Over, Mixed 55 & Over, and Mixed 65 & Over to constitute a level, the affected Local League Coordinators, shall either:

- (1) Offer to move that team to another age division offered in that area in that particular level, if applicable.

- (2) Move individual players to another team in that area, if applicable, or move them to an “Extra Players” flight to hold for future play in other leagues, i.e. Mixed, Combo, etc.
- (3) The Mixed State League Coordinator may move a singleton team to another area’s league tree only if it is agreed upon by both local league coordinators and accomplished before that recipient area’s deadline.
- (4) Complete teams that are moved to play in a local league area other than their home local league must secure home courts in that local league they choose to participate unless both local league coordinators agree on something different.
- (5) If one singleton team is moved into an already existing league of at least 2 teams, then that singleton team must secure home courts in that host local league where they have been moved and if that singleton team wins that league, they will represent that host league at the State Championship.
 - The singleton team must follow all rules and regulations of the host league.
 - The host league is responsible for all awards, state championship fees (if applicable) and state championship registration.
- (6) If Local League coordinators agree to combine singleton teams in order to form a league for those teams to qualify, the winning team from that singleton league will be allowed to represent the Local League where they initially registered.
 - Rules and regulation issues that occur during the singleton team league play will be handled by the Mixed State League Coordinator in consultation with the Local League coordinators that are involved.
 - The area that is represented by the winning team will be responsible for all awards, state championship fees (if applicable) and state championship registration for that team.
- (7) Refund all or a portion of the registration fee in accordance with the Local League policy.

1.04E(1) South Carolina will have no residency requirements for mixed local league play.

1.04E(2) All players must be current members of USTA through the Local Mixed Doubles League season including local playoffs and any player who progresses to championship levels in the USTA Mixed League Tennis Program must be a current member through each championship progression.

1.04E(3) Player Age Requirements. Each player shall have reached the required minimum age prior to or during the calendar year in which such player participates in his or her first local league.

1.04G PLAYER PARTICIPATION

1.04G(3) A player may play at the same NTRP level in the same division (18 & Over, 40 & Over, 55 & Over and 65 & Over) on teams in separate Mixed Leagues in South Carolina during the same season.

1.04G(4) During the South Carolina Mixed League Season, a player may participate in more than one NTRP level in the Mixed 18 & Over, 40 & Over, 55 & Over and 65 & Over divisions in the same Mixed League during the same season.

1.04G(6) Players who qualify for South Carolina Mixed Doubles Championships in 2018 may advance on more than one team within an Age Group only if they are at different NTRP levels. No accommodations for scheduling will be made at the Mixed State Championships.

1.04G(6)(a) Players who qualify for the Mixed Sectional Championships may advance on more than one team within an age group only if they are different NTRP levels. If eligible players do not participate at the State Championships, they may participate in the Sectional and/or National Championships. No accommodations for scheduling will be made at these Championships.

1.04G(6)(b) In the 18 & Over and 40 & Over age divisions, players must play in at least two matches through the state championships (which may include one default) in order to advance to the Southern 18 & Over and/or 40 & Over Mixed Doubles Sectional Championships. A retired match shall count toward advancing for all players involved.

1.04G(6)(c) At the 55 & Over and 65 & Over age division, players must play in at least one match (which may include one default) in order to advance to the Southern 55 & Over and 65 & Over Mixed Doubles Sectional Invitational. A retired match shall count toward advancing for all players involved.

1.04G(7) At the SC Mixed State Championships, if a player qualifies for two or more teams at the same NTRP level in the same division (18 & Over, 40 & Over, 55 & Over or 65 & Over), the individual must declare which team he or she will represent. In the absence of a declaration, the first match played will determine which team he or she will represent. **Any matches played after that first match on a second team will be defaulted.**

2.01C Competition Format

2.01C(3) All USTA SC Mixed Doubles Leagues will use the Match Tiebreak (first to 10 by a margin of 2) in lieu of a third set in Local Mixed League play including playoffs.

2.01C(3)(a) Procedures in the Event of a Tie: If a local league has a playoff, it will defer to the Championship Procedures in the event of a tie. (National regulation 2.03H).

- (1) Team Wins
- (2) Individual Wins
- (3) Head to Head. Winner of the head-to-head match.
- (4) Sets. Loser of the fewest number of sets.
- (5) Games. Loser of the fewest number of games.

Local leagues have the option to choose the procedure with Head-to-Head after Individual Wins in their local league play.

2.01C(5) Team Lineups. An individual match is started when the first ball is put into play. After the start of an individual match, if injury to or illness of a player occurs, the opponents will be awarded a retirement for that individual match only. If a disqualification occurs, the opponents will be awarded a default.

2.01C(5)(a) In the event of illness, injury, disqualification, or no-show of a player prior to the start of an individual match (once the lineup has been exchanged), a team may substitute a player in the affected position within the 15 minute default time, using a player not already listed in the lineup. If no such substitution can be made, the affected position only will be defaulted in local mixed leagues.

2.01C(5)(b) In the event that a team match must be re-scheduled and starting times are staggered, where opponents are not available and ready to play, defaults will be awarded in the affected position only.

2.01C(5)(c) Local Mixed Leagues will make the rule regarding rescheduling of matches due to inclement weather.

2.01C(5)(d) Two players will play together in the higher position when both of their partners do not show in order to avoid two defaults (provided combined ratings do not exceed designated level of play).

2.01C(5)(e) An entire team default in Mixed Doubles is when a team defaults 2 or more individual courts in a 3-court team match. If a team commits a 'team default' for any reason during round robin play, all matches for the defaulting team already played or to be played shall be null and void when determining standings but will be used for ratings and advancement purposes. If all teams with a mathematical chance to advance have played the defaulting team in good faith, those matches shall stand as played when determining standings. Teams that default an entire match are expected to play the remainder of their schedule. A grievance will be filed against a team that is assessed a team default.

2.01C(5)(f) A Local Mixed League will set their policy for player's presence on court to receive a default.

2.01C(5)(g) All matches played by a team that drops out of the League during the USTA SC Mixed League Season will be used to qualify opponents for Championship play.

2.01C(5)(h) Retirements will be used to qualify all players involved in a retired match for Championship play.

2.02 PROGRESSION

2.02A Local League Competition. Each Local Mixed League MUST complete their Local Mixed League Season prior to USTA SC State Mixed Doubles League Championships. Note: The required Mixed State 18 & Over and 40 & Over team information must be submitted to the USTA SC State Mixed Doubles Coordinator (Susan Turner) by **August 24, 2018**. The required State Mixed 55 & Over and 65 & Over Championship team information must be submitted to the USTA SC State Mixed Doubles 55 & Over and 65 & Over Coordinator (Patti McVey) by **August 24, 2018**.

2.02B State Championships

2.02B(b) The winner of each specific NTRP level in each age division in local league competition shall be entitled to advance to the State Championship. If the winning team is unable to attend, an alternate team, preferably the 2nd place team, can be asked to advance. **Should the second-place team not be available to attend then a 3rd place team from the Local League affected will be invited to advance to State Championships. If the 3rd place team from the affected Local League is unable to attend, then the wild card procedure will be utilized to complete the draw.**

2.02B(c) Wildcard Procedure: Wildcards will be chosen from a random draw based on the number of teams and positions by Area from the current Mixed Doubles season. The number of teams an Area has will be divided by the number of positions that Area qualifies for at State Championships. This number will determine the total chances the Area will have in the random draw. An Area whose team is drawn for a Wildcard and used at a particular level WILL BE ELIGIBLE to have a wildcard at the same level the following year. An Area whose team is named to replace a team that dropped out of the State Championship will remain eligible for a wildcard at that level the following year. *Flights must have a minimum of four (4) teams to be eligible for a wildcard.*

once local play and local playoffs, when applicable, are completed. Where possible, however, teams from the same local league will be put in separate flights. The number of flights at a given level will depend on number of teams eligible. A flight typically will have four teams and the referee may elect to add wildcard teams to balance out flights.

2.03D(4) Draws may be comprised of two, three or four flights typically with four teams in each flight. Levels with two flights – the winner of each flight will play a finals match to determine the State winner. Levels with three flights - In the case of three flights, a wildcard will be drawn at random (from the numbers 1, 2, 3) on the final day of round-robin play to determine which flight's second place team will be the fourth team to play in the semi-finals.

The wildcard team will not play a team from their original flight in the semi-finals match. The winners of the semi-finals match will play a finals match to determine the State winner. Levels with four flights – the winner of each flight will play a semi-finals match and then those winners will play a finals match to determine the State winner.

If a team does not pay the fine, **they will not be permitted to play their next match** and a grievance may be filed against all players on the state roster, which could result in the suspension of play from any USTA League play until the fine is paid. It is your team's responsibility to have players on every court at each match at a State championship.

2.03L USTA SOUTH CAROLINA Scoring of Team Defaults at the State Championship: If a team commits a 'team default', 2 out of 3 courts are defaulted, for any reason during round robin play, then all matches of that team played, or to be played, shall be null and void when determining standings but will be used for ratings and advancement purposes. If all teams in contention for the championships have already played the defaulting team in good faith, those matches stand as played. **The defaulting team is ineligible to continue to play the remainder of their matches. The defaulting team will be responsible for the \$100 per line default penalty for all matches not played.**

The deposit is to be sent to the Local League Coordinator to hold until the championship begins. Once the team starts play in the championship, the Local League Coordinator will destroy the check. A grievance may be filed against the withdrawing team in addition to the \$250 fine. Penalties against these team members may include that all members on the submitted roster be banned from participating in any USTA leagues for a period of up to 364 days.*
